

# FUNDED AAP/EMT LEVEL 3 UPSKILL

Funded courses to upskill ambulance staff to L4 associate ambulance practitioner now available. No upfront costs, no hidden fees.

Funded by the 'advanced learner loan' scheme, meaning you only pay back a percentage of the costs when you are in employment and earning above the threshold. And if you continue onto higher education then the costs are written off!

## ELIGIBILITY

- Be **19 years or over** at the start of the course ✓
- Resident in the UK ✓
- Have been working in a level 3 ambulance role for **over 6 months** ✓
- Has an up to date CPD file ✓
- Has an employer willing to support you in practice ✓

## COURSE STRUCTURE

Designed to fit around your working life, our program is set into blocks.

Online learning and lectures **in your own time.**

**Two weeks** practical skills in class.

Working with your employer in placement.

**Two weeks** further practical skills in class.

Returning to your employer for placement.

Final examination.

*Over 1200 AAPs  
successfully trained!*
